

Dear Sirs:

Please tell parents that have TVs in the house that not all programming is going to be suitable for their children and they really have to supervise them and control what they see on TV on an independent level.

I would hate to think that all TV programming must be run by a panel of 12 year olds to see if they get offended or not.

What the PTC means by 'Because Our Children Are Watching' is THEY DON'T WANT TO TAKE CARE OF THEIR OWN KIDS. They want the programming to be bland enough so THEY DON'T HAVE to pay attention to their own kids lives. Desplicable!!

I think the PTC would better 'serve children' by recommending TV shows they find acceptable and posting those shows on their website.

Leave the other programming alone so the rest of us can make our own viewing decisions.

Thank you,
